Underwriting at Lloyd's is a very high risk investment and participants underwriting through a limited liability vehicle are exposed to losing the entire assets of the investment vehicle.

Past performance is not necessarily a guide to future performance.

The bases and levels of taxation, and thus the financial planning benefits to an underwriting member, may change.

Underwriting membership may not be suitable for all recipients of this presentation. Independent financial advice should always be sought before any underwriting commitment is made by a potential or existing member.

The information that is contained in this presentation is being produced on a confidential basis and should not be made available to the general public, the media, or any other third party without the express consent of Alpha Insurance Analysts.
